## *Complete Continuum of Long Term Care Options*

### • Skilled Nursing

Village Manor's skilled nursing care enhances our resident's quality of life with dignity and respect. Our dedicated, professional staff provides rehabilitation services, wound care, IV therapy, transportation to appointments and more, all in a comfortable home-like environment.

### • Residential Care

Village West residential care offers more assistance than assisted living and less than skilled nursing. Our dedicated staff at Village West assures quality care, assistance and worry-free living. Our amenities include cafeteria style dining, housekeeping & laundry services, medication assistance, an enclosed courtyard for gardening plus much more.

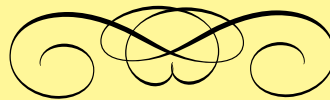

### • Assisted Living

Ottawa Retirement Village Plaza sets a standard of excellence for individuals and married couples who wish to live independently. We offer a wide array of services and social activities that make assisted living a perfect, personal fit. Our beautiful home-like environment offers simple nursing procedures like medication assistance and diabetic care.

### • Independent Living

Ottawa Retirement Village Apartments are an ideal choice for those who can enjoy single story independent living in a community where neighbors become friends. Your monthly rent includes all utilities, cable, daily noon meal, personal daily visit by a professional manager, call system that links you to a nurse on campus 24 hours a day, kitchen appliances, private mailboxes and use of the community room and laundromat.
